Vilnius, Lithuania

mycupoftea.org / github.com/rutaitp

SKILLS

Design:

Design research, prototyping, user testing, fabrication, laser & vinyl cutting, 3D design & printing, Adobe Creative Suite

Programming:

Physical computing (Arduino & Raspberry Pi), JavaScript, Python, jQuery, HTML, CSS3, git, Node.js, Express.js, SQL, Sequelize, AJAX, ReactJS, Redux, React-Redux, WebRTC, Socket.io, PeerJs, P5.js, Processing, Asterisk & VoIP, Twilio, HTML5 audio & video, Web APIs, markdown, regex

Media:

Photogrammetry, video projections & mapping (MadMapper, Isadora)

PROJECTS

Diving Deep in the Ocean

An immersive learning experience on ocean life

Role: concept development, prototyping, design fabrication

Media: Audio/Visual, lights, projection mapping

Wonder Corner

Participatory installation exploring curiosity and adult learning

Role: concept, research, UX design, software architecture and development, fabrication

Technology: VoIP, Asterisk, speech recognition, projection mapping, custom-built phone booth

Languages: JavaScript, Python, C

Stacklight

A toy for 3 year olds introducing them to the concepts of electronics

Role: concept, research, user testing, design, fabrication

Technology: Arduino, CNC

PROFESSIONAL EXPERIENCE

Instructor & Instructional Designer

Adjunct, Freelance, 2017-onward

Research, speculative & curriculum design and teaching workshops and classes on different emerging technologies:

- Fordham University, Fall 2017: web development (undergraduate)
- NYU, Spring 2019: creative coding (undergrad)
- Decoded NYC, Spring 2019: machine learning, web development, cybersecurity
- TeachCS, NYC, ongoing: web development, creative coding (high school)
- bit&Byte, Vilnius, ongoing: web development, creative coding (6-12 year olds)

STEM Instructor

NYC *FIRST* @Cornell Tech, May-September 2019

Teaching, managing and designing curriculum for workshops for NYC Public High School students: robotics, circuitry, prototyping, design, digifab.

Experience Designer & Multimedia Producer

EdLab, Columbia University, June 2018-May 2019

Conference & Creative Producer

Freelance, January 2013-onward

QBerlin, ITP @Maker Faire, The World Summit on Innovation and Entrepreneurship, Campus Vilnius, Vilnius innovation Forum, Forum One.

Co-founder & Curator, Experience Designer

TEDxVilnius, 2011-onward

Event design, speaker curation & coaching, team management for 30+ events. Organized first TEDxKids in the world.
